Hollywood, CA (June 22, 2009) –The Jim Henson Company and Archaia announced today that they have entered into a partnership that will publish comic books and graphic novels based on popular Henson titles as well as new co-branded original properties.

The multi-year partnership will draw from The Jim Henson Company's extensive film and television library, including *Fraggle Rock*, *The Dark Crystal*, *Labyrinth*, *Mirrors*, *The Storyteller* and other titles. The agreement also allows The Jim Henson Company and Archaia to partner with talent in the comic book, television and film industries to create brand-new stories under a co-branded banner, building on the legacy of quality and creativity of The Jim Henson Company brand and strengthening Archaia's relationships within the entertainment sector.
